business negotiations

# City Leaders Program Achievements

45

participating cities

## Session: Safe and Secure

Building stronger cities, strengthening community connections

TMG initiative: “TOKYO Resilience Project-Protection Against Floods and Storms”

21

heads of participating cities

Accra, Ahmedabad, Bangkok, Basque, Berlin, Bishkek, Bologna, Brussels, Buenos Aires, Dubai, Edinburgh, Helsinki, Manila, Northern Mariana Islands, Nouakchott, Porto, Taipei, Thiruvananthapuram, Tirana, Tokyo, Ulaanbaatar

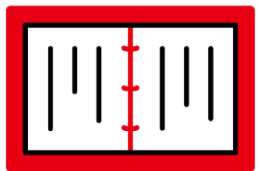

## Session: Environment

Promotion of zero emissions, realizing a circular economy, increasing greenery, protecting the natural environment

TMG initiative: “Utilization of renewable energy and hydrogen”

## Communiqué

The city leaders released a Communiqué reaffirming the cooperation of cities around the world, and listed the matters that should be addressed for the realization of a sustainable society. Going forward, the parties will implement projects that utilize start-up technologies to resolve urban issues and provide for technical exchanges between cities, aiming to realize equitable and sustainable societies through practical inter-city collaboration initiatives.

## Session: Inclusive and Just Societies

Promotion of women’s empowerment, culture and sports, and wellbeing

TMG initiative: “Inclusive City Tokyo”, “Barrier Free Measures”
